For more than 90 years the fiberboard industry has provided environmentally friendly high performance products such as roof insulation, sheathing, sound deadening board, packaging and numerous industrial panels. The American Fiberboard Association, celebrating 20 of service this year, proudly supports our fiberboard manufacturers through promotion, standards development, and the education of building officials, architects, specifiers, and the public.

WHAT IS GREEN, LOW COST, READILY AVAILABLE, A PROVEN PERFORMER THAT ADDS R VALUE AND HIGH SOUND TRANSMISSION COEFFICIENT RATINGS?

ANSWER: FIBERBOARD!

We appreciate the support of customers, suppliers, and employees who make our industry’s success possible.
